

Cylchlythyr Trefnant Newsletter

My most sincere apologies to Trefnant Bowling Club for omitting their article in the Hydref-Autumn Newsletter.

Editor – Glyn Evans

Trefnant Bowling Club

Re-established 11th August 1982 (40 years young).

The club has had a good season, despite some problems due to the legacy of Covid.

We have fielded 5 teams this season, covering all age groups. As well as league games on a Tuesday & Wednesday pm and Thursday evenings, we have hosted Welsh County Matches against Greater Manchester and Wrexham, various cup matches and an Open Competition.

League fees are currently £40 per season with a review to be held at the AGM. We have a Social Membership for anyone interested in learning the game and the fee is £20 per season which is April to September. Under 18's have free membership and must be accompanied by a parent/carer or guardian.

Bring the family along on a practice night - Fridays 6pm. The Ladies League Merits were held at Trefnant on 14th September which was well attended.

As the season draws to a close, we will have our Open Floodlit competitions, with the Singles on 19th/20th and 23rd September and the Pairs on 26/27th and 30th September, 6pm onwards, spectators are always welcome.

We will be having another Open Afternoon in March next year, so watch this space. Contact the secretary on lynetteparry@yahoo.co.uk
